Race

Prologue: Start 10.00 Saturday 25/8.

20 riders in every heat.

Start in order by your starting number.

All rider will ride two prologues.

The track is about 2 km.

In the second prologue you start in order from first prologue.

If you give up in both prologue you will start last on Sunday.

The organizer can change the track and time schedule if necessary.

The Duel; After the prologue all rider can challenge a rider who is up to ten places ahead from the prologue for a Duel. Around 16.00 on Saturday the rider can challenge each other and all rider must be at the area for the challenge. The best riders will be challenged first and there will only be time for 14 pair of riders. The track for the Duel is short but full of different obstacles. If a rider doesn't appear at the challenge or to the Duel they will start last on Sunday. The Duel is between two riders and first across the line wins. If the rider who made the challenge wins they will change starting position on Sunday. But if the outcome is the other way around the better rider stays on the position but the other rider drops ten places!

One rider can only be in one Duel and if many riders choose the same rider he/she will decide who to race.

Main race: Sunday 11.00 26/8

Start order from results from prologue and Duel.

One rider every ten seconds. Race time for every rider starts from first rider starts!

Track is about 10 km and contains many hard sections. There is some checkpoint along the track and the rider with most laps and checkpoints after 4 hours is the winner.

Average speed is about 15 km/hour.

The track will be official Friday 24/8 at 08.00

The organizer can change the track and time schedule if necessary.
